

# How energy-efficient is your home?

*It's easy to find out – just ask us how!*

Find out where you're wasting money on your energy bills every month.

## LONG BRANCH LIBRARY LOAN **AND** LEARN PROGRAM

**Each kit contains:**

- **Thermal Leak Detector to spot where your home may be losing energy**

- **Kill-A-Watt device to show how much electricity your appliances use**

***PLUS, all borrowers receive a **FREE** packet from New Jersey Natural Gas (NJNG) with information on services and programs including generous rebates, financing incentives and even some no-cost ways to help reduce your energy usage.***

***You'll also get a free gift from NJNG to help you start saving energy.***

***Visit the front desk to get started!***

**Program made possible by**
